SWAAD '89

SOFTBALL TOURNEY REPORT

AUGUST 10,11,12, 1989 AUSTIN, TEXAS

AUSTIN ANGELS HEAVEN-BOUND FOR AAAD TOURNEY AT HARTFORD

Unseeded Austin Angels swept past their elder brethern, second-seeded Austin Senators with a shameless 21-6 romp to glance heavenward at the AAAD Softball Tournament in Hartford. Fort Worth Cowgals lassoed hapless Jackson, 22-4 for the right to represent SWAAD Women at Hartford. The occasions were the 22nd SWAAD Men and 15th SWAAD Women Softball Tournament at Austin, Texas on August 10-11, 1989. Memphis astounded everyone with a strong third place finish and thusly labeled itself as a force to be reckoned with in future tourneys.

The "hitting factory" of Angel teammates Al Jordan, Buddy VanDusen, Kent Kennedy, Jens Williamson III, and Curtis Blankenburg made mincemeat of hapless San pitcher Ricky Boutte with a marathon 8 run burst in the first inning. Boutte was socked with 8 hits and 9 runs before relieved in the second inning. His reliever, Pitcher Allen Duve was no better as he, too, was traumatized with 15 hits and 12 runs. The rest of the game was simply a ho-hum and deflated game until the umpires imposed the run limit rule to mercifully end the game.

SWAAD HIGHLIGHTS AND TRIVIA

The championship game between Austin Angels and Austin Senators was the First ever for SWAAD with host teams in the same host city. Also this championship game was the earliest ever to finish at 2:15 PM. Still another record:This championship game was halted when the umpires enforced a run limit rule. However,it should be mentioned that the Friday games lasted from four PM until 1:30 AM.

The greatest puzzle of the tourney was only two women teams instead of the anticipated six women teams. One plausible hypothesis was that many young women are having babies ? ? ? What happened to the pills or did the young ladies discover the joys of MOTHERHOOD!

The most thrilling game of the tourney was the Austin Senators-Memphis game won by Austin with a 14-13 score in a new SWAAD game length record of 11 innings.

Daryl Argrave of Baton Rouge amassed six triples for the tourney to eclipse the old SWAAD record of four triples.

Speaking of tough luck: Glenn Hurwitz of Houston NACH engineered two home runs in one game only to see his teammates blow this game away!

509 registered for the tourney events which were ably chaired by James (Big Jim) Kallina and his splendid committee. Joel Scott was re-elected Softball Director as well as Robert Stevens as Softball Recorder/Statistican. Sheri Mize-Cody retained her job as the Women Softball Director and Mary Jo Stevens kept her assignment as Women Softball Recorder-Statistican. The dance was held to the tune of disco music.

NEVER SAY DIE: Three veterans that never missed playing in SWAAD Softball tourneys since its inception at Beaumont, Texas in 1968 and already played in their 22nd straight tourneys are: Charles Haney, playing for Baton Rouge: Gene Carr, playing for Dallas; and Henry Harvard, playing for Austin Senators. One big question: Should SWAAD vote to present them one bottle of champagne or three bottles in a like manner after the last soldier veteran to drink the last bottle when all others had departed. Let's hear about this at the coming SWAAD meeting at San Antonio in March, 1990.

Coming events: SWAAD Basketball Tourney at San Antonio, Texas on March 1-3, 1990

SWAAD Softball Tourney at Jackson, Mississippi on August 9-11, 1990

RECOMMENDATIONS FROM SWAAD FOR REGIONAL PRESIDENTS MEETING

HARTFORD, CONN. -- WEDNESDAY SEPTEMBER 20, 1989

1. For regional president lodging expense at all AAAD tourneys, a recommendation of 60%-40% to 75%-25% split, with the lower figure to be reimbursed by AAAD and the higher figure by the respective regional association.
RATIONALE: Regional expenses for sending regional president to AAAD cause continual grumblings from the regional people.

2. For women champion teams transportation expense to AAAD softball tourney: If less than three women teams were entered in the regional tourney, AAAD is to reimburse 50% air travel instead of 100% as alloted for those tourneys with more than three team entries. TO BE EFFECTIVE RETROACTIVELY TO THIS HARTFORD TOURNEY.

3. Include sickness and accident insurance for players at AAAD tourney. For this coverage, tack $1.00 to player charges.

4. Allow rain-or-shine playing at AAAD softball tourney-- no delays to Sunday playing.

5. Tourney host should be so qualified in accordance with the IRS policy. (They said that a social organization with C-7 classification cannot host a charitable or sports event (C-3 classification) with the intention of making profits for the social organization.)

6. AAAD should obtain group ruling from the IRS and apply the so-called privilege to all its regional associations (having a C-3 classification) as well as to all the tourney hosts so qualified.

7. Boost, cooperate and promote along with other organizations of, for, and by the deaf in soliciting the U.S. Congress to create a new non-profit classification in the IRS Code called "C-DEAF" in order for a legitimate organization to qualify as a tax exempt, tax deductible, non-profit organization.
RATIONALE: An IRS agent said we may do this through the U.S.

RECOMMENDATIONS (continued)

Congress but it may take up to 10 years to legislate this. Most deaf organizations have either a 501(c)3 (charity or sports) or a 501(c)7 (social) classifications by the IRS and may need to have dual or twin organizations (both the C-3 and C-7 with same members but different officers.) We can claim this special privilege due to the uniqueness of DEAF CULTURE.

FYI: A social organization with a C-7 classification cannot host an outside charitable or sports events with C-3 classification (such as regional/national sports events.)

IRS has a new policy made effective as on December 18, 1987, stipulating that all applications for non- exempt status would cost $150-$300! Nutting is free nowadays!

8. Add to AAAD Bylaws:

COMPLIANCE

The registered agent (of the incorporated AAAD in the state of _____) shall comply with the rules of various governmental agencies such as the Internal Revenue Service and the state comptroller/ state secretary-of-state on financial reports and transactions. He/she shall seek financial or legal counsel when needed. Specifically, Form 990 issued by the IRS shall be filled out and MAILED in time. City and sales taxes, where applicable, shall be remitted to the appropriate governmental agency. Likewise, the officers shall comply with any request or requirement as may be issued by any federal, state or local government agency. Also the names and mailing addresses of all new registered agents and officers shall be updated and submitted to the appropriate state agency(ies) (e.g: Secretary of State) and federal agency(ies).

RATIONALE: Failure to comply may result in forfeiture of tax exempt status or penalties.

AN APOLOGY FROM SWAAD

It was brought to our attention at the SWAAD delegate meeting held during the SWAAD softball tourney at Austin, Texas on August 10, 1989 that certain persons from Dallas-Fort Worth metroplex had created false booster cards relating to the tourney. They solicited the public, ostensibly to raise funds for the tourney, but actually pocketing the money for their own use.

Dallas Association of the Deaf had taken legal action against this fraud. We also learned this type of practice had been going on since 1982. Of course, such fraudulent action may have hurt our genuine fund raisings.

By the resolution of delegates at this meeting, we ask that everyone be alerted to this dastardly practice and to seek prosecution against such persons through the local district attorney. Meanwhile, the legitimate booster sellers would have to contend with proper credentials before anyone would purchase from them.

PLEASE ACCEPT OUR APOLOGY AND LETS COOPERATE ALL WE CAN TO STOP THESE DEPLORABLE SCAMS.
