Official Greetings

August 2-4, 2001

WELCOME!

It is with great pleasure, as Mayor of the City of Austin, to welcome you to the 34th Men's Annual and 27th Annual Women's Regional Softball Tournament. I hope you have an enjoyable time at this event, and in our fantastic city.

I welcome the Southwest Athletic Association of the Deaf participants, their families, sponsors, and spectators, and I hope that you not only enjoy the tournament, but also the sites and sounds of our great town.

I am hopeful that you will take some time, as well, to enjoy our beautiful city. Austin is one of the best cities to do business; our great city also affords its visitors exciting options in entertainment. Internationally renowned as the "Live Music Capitol of the World", Austin is home to many Texas music legends. In addition to enjoying Austin's live music scene, you can view the flight of 1.5 million free tail-bats at the Congress Avenue Bridge, visit the Zilker Botanical Gardens or take a dip in the world-famous Barton Springs Pool. As well, you can spend an afternoon at the Austin Museum of Art, followed by a visit to the campus of the University of Texas at Austin and recently opened Texas State History Museum.

Once again, welcome to Austin, home of boots, suits, hippies, and computer nerds—all in the same boardroom. I wish you the best while you are participating in this event.

Sincerely,

Kirk Watson

Dear Athletes and Friends,

Welcome to the Southwest Association of the Deaf (SWAAD) 34th Annual Men's and Women's Regional Softball Tournament in Austin. On behalf of the students, faculty, staff and alumni of the Texas School for the Deaf, I welcome you.

We are pleased to be the host city for this athletic competition. It is always exciting to have our regional players from Oklahoma, Louisiana, Arkansas, Mississippi and even parts of Tennessee here in the Capitol City of Texas. I am sure you will enjoy the challenges of the games as well as the opportunity to see friends from the past. I hope each of you enjoy the events and come away with a rewarding and positive experience both on and off the playing field.

Good luck to all the teams. The Championship and runner-up teams will advance to the National Softball Tournament in New Orleans at the end of September. You are all welcome to visit the school while you are here. School will not be in session yet, but folks will be on campus preparing for our opening.

Our community and heritage is richer for having wonderful organizations like SWAAD, NSAD and the USASDF. I would like to take this opportunity to thank the SWAAD Host Committee for doing a great job planning this event.

Sincerely,

Claire Bugen
Superintendent

On behalf of the National Softball Association of the Deaf, it is my honor and privilege as the Commissioner of NSAD to welcome you to the 34th Annual Men's and 27th Annual SWAAD Slo-Pitch Softball Tournament!

Under the guidance of the Chairperson, Tim Theis and his super committees especially his full-energetic assistant, LuAnn Theis, who are to be commended for their efforts in putting together this special event. They have worked throughout the year to ensure this tournament be one of the greatest in history under the auspices of the Southwest Athletic Association of the Deaf. **HATS OFF** to Tim and his committees including LuAnn.

Once again, we have at least 12 men's and women's teams competing for the SWAAD championship titles and I believe that this tournament will be outstanding than the last. Each year, the competitions have been increasingly tougher. I wish all the teams the best of luck and may be the best SWAAD team wins in NSAD.

To the players and coaches, "It's a reality of life that players are competitive and the most competitive games draw the most competitive players. That's why they're there - to compete. They know the rules and the objectives when they get in the game. The objective is to win - fairly, squarely, decently, by the rules - but to win."

Have a blast one and may your memories of your stay at Austin stand out in your mind for years to come!

Relay Texas

Just dial **7 1 1** to place a relay call!

Relay Texas is a free service that provides full telephone accessibility to people who are deaf, hard-of-hearing, deaf-blind, and speech disabled. This service allows text-telephone (TTY) users to communicate with regular telephone users through specially trained relay agents.

Calls can be made to anywhere in the world, 24 hours a day, 365 days a year with no restrictions on the number, length, or type of calls. All calls are strictly confidential and no records of any conversations are maintained.

Anyone wishing to use Relay Texas simply dials the relay number to connect with an agent. The agent will dial the requested number and relay the conversation between the two callers. To make the conversation as natural as possible, agents will type background noises and indicate voice inflections to the TTY user.
