In Memoriam

Lannie Carroll Love
1947 - 1989

Jackson Association of the Deaf dedicates this page to honor the memories of Lannie Carroll Love, who suddenly departed this world on June 12, 1989. Lannie was many times an officer of many titles for JAD. He was a great leader in many ways in social life and sports. He was very well known in engraving jewelry. He got his wish that JAD have a clubhouse before he departed. Many of us were shocked about his death but Lannie left many good memories for us to cherish. He will be always remembered by JAD.

The SWAAD Vice-President's Message

Greetings to all and welcome to the 23rd Annual Men's and 16th Annual Women's Southwest Athletic Association of the Deaf Regional Softball Tournament in Jackson, Mississippi.

I do not recall if a woman has ever been chairperson of any SWAAD sport event so Patty Henderson might be the first female to chair this tournament, with Jackson's second such softball hostship.

I wish to express my special thanks to Chairperson Patty Henderson and an almost endless list of this tournament committee for their organizational efforts and to the members and friends of the Jackson Association of the Deaf for their dedication to this event.

Also, to the spectators attending this tournament, in addition to the words of welcome already expressed, allow me to thank you for this expression of your interest and support.

Best of luck to the men and women championship teams during the upcoming 15th Annual Men's and 4th Annual Women's American Athletic Association of the Deaf National Softball Tournament at "Sunshine City" Tucson, Arizona.

Now, let's play ball and have a good time!

Glenn Thrasher,

The SWAAD Hall of Fame Director's Message

I really desire to extend my heartiest greeting to all those who will be in Jackson for the 23rd annual Men's Slo-Pitch Softball and 16th Annual Women's Slo-Pitch Softball Tournaments. With the 22 years of favorite memories of past tournaments, we look forward to more years of Southwest Athletic Association of the Deaf Tourney "reunions."

Praise is due to the Jackson Association of the Deaf, Inc., the chairwoman Patty Henderson, and an almost endless list of her committee for the fine job. Many offered freely and heartily to host that said great tournament this year and in addition to the words of welcome already expressed, allow me to thank you for this expression of your interest and support as the SWAAD having this tourney. Let's meet each other there and have a good time.

With you, officers, delegates, players, fans and old timers are important to pull your future tournaments, as well as we flourish and continue to improve how well they support our SWAAD. That is what has not been forgotten for 23 years.

Good luck to the admirable and courageous members of SWAAD Softball Tourney for capturing the big championship game.

Have fun, enjoy your stay and have a safe trip.

Jimmy Janos, Jackson, Mississippi, was the first SWAAD softball player to be declared out after he hit a homerun because he failed to touch a base at Lafayette, Louisiana in 1975.

The Capital City Softball Team became the first team of SWAAD Softball Division since 1968 to be eliminated by double forfeit at Fort Worth in 1979.

Devin Fontenot became the first SWAAD softball player to play softball for his two different SWAAD teams, Capital City at Fort Worth, Texas in 1979, and Beaumont, Texas team at Shreveport, Louisiana in 1980, were eliminated by a double forfeit because of a lack of players. He has not earned his points of SWAAD Hall of Fame policy for softball for his two consecutive years in 1979 and 1980.

The first SWAAD Softball Team Division (16) men were participating in the tourney at Lafayette, Louisiana in 1975, had a new team appearances record.

IN MEMORY

CHARLES EARL CLAY
(1953 - 1990)

On behalf of the members and players of the NTID Alumni Club of Greater Houston (NACH), we would like to dedicate this advertisement to the memory of the late Charles Earl Clay who suddenly departed this world on March 25, 1990. Charles was born in a town known as Branchville, Texas on July 27, 1953 where he attended Texas School for the Deaf in Austin, Texas throughout his youthful days. At that time, sports became his strong interest as well as his education. He has been involved in numerous kinds of sports during his time at Texas School for the Deaf. After his graduation from Texas School for the Deaf, he went on to Baytown Junior College (known to many as Lee College) where he remained till the time he graduated. From there, he has been a member of the basketball team. The more he challenged lots of teams in those games, the more he picked up excellent forms of what normally a basketball player would do. Once again he was a member of the 1981 USA Basketball Team from teh World Game of the Deaf, where he and his USA Basketball team won a gold medal from Germany.

Upon attending the Texas Southern University in Houston, Texas, he went on to work for I L C - Space System in NASA as a Driller Machinest. He has remained there until the time of his departure.

He has been involved with the Southwest Athletic Association of the Deaf in both the basketball and softball category. His involvement of many years with the Houston Association of the Deaf, has lead his basketball team under the direction of Ron Emerson to the National Basketball Championship hosted by the American Athletic Association of the Deaf. He has joined NACH when they first formed a sports program in 1987.

NACH decided to dedicate this because of Charles' involvement with the Southwest Athletic Association of the Deaf and his excellence in helping NACH set up a better sports program by providing team work efforts, leaderships and inputs. Charles was a well-liked guy whom many have known and come to admire. His departure did not leave us with nothing but many cherished memories and advices he has established among us. Charles Earl Clay may be gone far above to a better place but down here NACH shall not forget him. His number 33 jersey shall be retired and be remembered in his memory.
